I understand that my son/daughter has decided to do the following project:

I understand my son/daughter needs to complete the following in order to successfully fulfill his/her project:

I fully understand that the selection of the Extended Application (EA) is a decision made independently but with the approval of the staff and administration of the high school. All consequences of the EA work choice, production, or experience, unless otherwise stated, rest solely with the student and the parent. All topics and written work must be appropriate for high school and comply with standards outlined in BSD's CDH Handbook. I also realize that the EA must demonstrate a "learning stretch" for the student.

The student and parent/guardian whose names are signed below accept full financial and legal responsibility for any cost or travel and the conduct of the student as they complete their EA.
